Prices available on request. We are more than happy to design a menu precisely to your taste and budget.

The bar is supplied with disposable glasses for all drinks and all necessary equipment is included.

We require that all drinks are paid for in cash, so please inform your guests of this in advance.

The options for payment are...

- A standard bar practice, whereby drinks are paid for at time of purchase, in cash.
- Inclusive bar, where drink costs are added to a tab, and paid for at the end of the evening, in cash, cheque or BACS. This option requires an advance deposit, adjusted to the size of your party.

There is a charge for the mobile bar hire of £250.

We also ask for a £250 deposit to cover our expenses in the event of minimal sales.

This deposit is refunded when sales exceed £500.

Bookings must be made at least 2 weeks in advance, to allow time to organise a temporary events notice, which is a legal requirement.

All bars comply to the 2003 Licensing Act and Legislation.
